Another 5 Star Seller Review

Professional, passionate and reliable service
"Reuben is a great agent to work with, initially he spent a lot of time to understand every single detail of my house, then he gave us his professional advice in preparing the house prior launching to the market. He also worked out an effective marketing campaign which attracted high end clients and achieved a successful outcome."

Reuben went over & above the marketing norms by featuring our home on the front page of Hills Shire Times, playing my property video he choreographed at the open homes and organized on foot tour for the keen buyers.

During the selling process, Reuben and his assistant Sarah were so passionate, hard working and their commitment
