Another 5 Star Seller Review

Exceptional Selling Experience!

"I've had the pleasure to get to know and work with Soha and Sherry Soheili as my selling agents, and have to state how impress I am of their great level of care, integrity, professionalism, and application of their multi-decade real estate industry knowledge and experience to lead an exceptional selling experience for my wife and I.

I'm an Australian expat living in the United States with many years of senior management experience in IT, specially project management. Early on in the process, Soha and Sherry earned my trust and respect by walking us through the selling journey, providing research data on the most realistic targeted market price, optimum campaign timelines, and their recommendations on the most cost
