Another 5 Star Seller Review!

Reuben is the best real estate agent I've ever met!

"Reuben is the most professional real estate agent I have ever met. I will recommend it to all my families and friends who want to buy or sell a property.

First, Reuben is reliable & trustworthy. I have been in overseas due to work. Since I had connected with Reuben, we were communicating about the whole process of buying and selling real estate through telephone and WeChat app, From the very beginning of my conversation with Reuben, his enthusiasm and patience impressed me. He took me through the whole process from planning, preparation, marketing, and agency agreement signing and contract of sale preparation, he was very meticulous and careful in every step of the way. He guided me thoroughly and even I had a problem, I could easily access to him through phone
